SCANNED SHRINE · AR

शिव मंदिर

Shiva Shrine

Look through the poster into the sanctum. A small light keeps watch.

Scan with your phone camera

1. Open your camera and scan the code
2. Allow the camera when your phone asks
3. Point at the shrine above and move to look inside

No app, no download. Works on iPhone and Android. superpranit.github.io/bushido-ar/shiva
